

City of Wilmer
Serving Our Community

A MESSAGE FROM THE MAYOR

On behalf of myself and City Council, I would like to welcome you to the wonderful City of Wilmer!

As your Mayor, I am excited about serving you. Wilmer is a productive, prosperous, and unified city. But one of the greatest things about Wilmer, and the thing I love most, are the people. Wilmer's mission is to achieve great things for our community. My commitment to you, is to move our community forward in an unprecedented manner.

Wilmer is one of the fastest growing cities within Southern Dallas County. Wilmer offers the comfort of a small town with access to the Dallas/Fort Worth Metroplex area, with both DFW International and Lovefield as well as regional airports (Lancaster and Executive). Union Pacific Railroad (UP) is the intermodal facility shared by the cities of Wilmer and Hutchins. Wilmer is an excellent place to live, work, play, learn, and conduct business. The city is continuing to experience unprecedented growth. The city is home to both Fortune 100 and 500 companies. Dallas Independent School District (DISD) serves the Wilmer students with a state-of-the-art elementary experience named in honor of former Congresswoman Eddie Bernice Johnson.

My challenge to our residents is to look for ways to get involved and solve issues. I encourage you to get involved by either serving on one of our City's Boards or Commission, attend a City Council meeting that is held on the first and third Thursdays of each month and participate in City events such as our Easter Egg Hunt, Sparks Fireworks Show, Pioneer Days, or Christmas Tree Lighting Ceremony.

Thank you for choosing Wilmer to live and raise a family. If I can ever be of assistance to you, please contact me. Again, on behalf of myself and the City Council members, welcome to Wilmer! I look forward to working with and for all of you!

Sincerely,

Sheila Petta, Mayor, CMO
City of Wilmer
